

PureLine™

Expand Your Service Offerings & Revenue with PureLine Chlorine Dioxide (ClO₂)

WHY PARTNER WITH PURELINE?

✓ **One Level of Responsibility**

Maintain client relationships while we handle the fumigation.

✓ **One Trusted Contractor**

Work with 1 reliable partner for all ClO₂ fumigation needs.

✓ **New Revenue Stream**

Upsell high-margin ClO₂ treatments to your customers.

✓ **Sales & Marketing Support**

We equip you with:

- A sales presentation kit to help pitch ClO₂ fumigation.
- A YouTube channel with educational content for prospects.
- Expert guidance from our team to help close deals.

WHY CHLORINE DIOXIDE?

Highly Effective

Eliminates bacteria, mold, odors, and pests without residue.

Safe & Fast

No harmful byproducts - resume production quickly.

Trusted by Industry Leaders

Used in food plants, warehouses, and pharmaceutical facilities.

Let's Work Together!

Expand your offerings. Increase revenue.

Deliver a complete solution to your clients.
